## A BBC© Doctor Who, Rose and Tardis THICK cardboard stand/DVD/bookcase

It was acquired from a well-known High Street chain store

It is the Tardis with The Doctor and Rose standing 'inside'

On the front of the stand is 8 cut outs which in the High Street store held the new Doctor Who DVD that was released last week! Each cut out shelf will take approx 5 DVD's (placed flat)

The famous POLICE PUBLIC CALL BOX sign is on the top with the light and the new yellow/orange Doctor Who sign (in 3D) is underneath, this sign looks like it has come away from the cardboard stand but can be easily glued/stuck back and is not noticeable

Down either side of this stand is again the new yellow/orange Doctor Who sign symbol, on the left hand side there is a tear in the cardboard going through the said symbol and measures approx 2 inches BUT not really noticeable!

The stand measures approx 62 inches high x 29.5 inches wide x 8.5 inches deep - in saying this there is a cardboard 'foot' at the back that sticks out and supports the whole stand!

Now the difficult bit! - posting this out might be a bit of a problem, it looks like it will go flat pack, and we could not be held responsible for any tears etc...so maybe it might be better if it was picked up (via arrangement) - any questions PLEASE just email, we also have more pictures of it!

This is a one-off and will infact me rare because Christopher Eccleston as you will all know has resigned from playing the Doctor - so get this while you can! BEFORE IT DE-MATERAILSES
