### [Danbury Mint Dr Who chess set](#)

This is the ultimate accessory for any serious Dr Who fan. I have enjoyed owning this item for many years, but it has never been displayed and hence is in perfect order. If you want to own a Danbury Mint Dr Who chess set, you simply won't find better than this.

The playing board is in superb condition. All the original 38 hand-crafted pewter playing pieces are included, each one in excellent original condition. Also included is the commemorative booklet in perfect condition, still in its original plastic sleeve.

The set consists of the following pieces:

Red side:

For the king you choose your playing piece from the first seven Drs (William Hartnell, Patrick Troughton, John Pertwee, Tom Baker, Peter Davidson, Colin Baker, and Sylvester McCoy). All seven Drs are included.

Queen - Leela.

Bishops - Kameleon and The Brigadier.

Knights - Jamie McCrimmon and Adric

Rooks - 2 models of the TARDIS

Pawns - 8 models of K9

Black side:

King - The Master

Queen - Rani

Bishops - Cyberman and Draconian

Knight - Ice Warrior and Sea Devil

Rooks - 2 models of Sontarans

Pawns - 8 models of Daleks

I can provide close-up pictures of any of the pieces if required, just email me.

...and now the boring bit....

I accept PayPal, cash or cheques, though PayPal is the preferred method of payment. Payment to be received within one week of winning the auction. I will send the item outside the UK, but will only accept PayPal for this. Postage cost is £20 due to the heavy weight and large size of the item - please contact me for international postage estimates. Refund will only be given if the item is faulty when received.

(Item re-listed, new low reserve price.)
