# "DOCTOR WHO"

## 1963-2003 BBC TV

### DAVROS HEAD

This is truly a wonderful prop for those who collect items from the beloved English TV science fiction show that sent kids running behind the sofa. This full size Davros head was taken from the original BBC mould used for "Resurrection of the Daleks", "Revelation of the Daleks" and "Rememberance of the Daleks", now believed destroyed. It is thought of to be the only one of its type. The original Davros rubber mask is now in a very poor repair state and still thought to be owned by the BBC. This is made from fibreglass and captures every nuance of the original sculpture, but because it is made in fibreglass, will not decay. It has been expertly painted by one of the master craftsmen who worked on the show in the original paint scheme. Please note that there are replicas of the mask out there made by imagineering in the 1980's but these are of poor quality when compared to this...truly the ultimate villain head!

*This head in the visage of the evil Davros, creator of the Daleks, is a chilling reminder of one of the most dangerous enemies of the good Doctor.*

Comes with a letter of authenticity concerning the provenence and is from the private collection of one of the worlds foremost experts on the show, who has worked on "Doctor Who" and catalogued the BBC Doctor Who auction in the 1990's for Bonhams of London.

Shipping and handling is \$10.00 in the U.S. More to the rest of the world. Please no zero feedback bids. A bid is a legal contract. All non paying bidders reported to ebays fraud department. Paypal, check or money order accepted. Payment must be made in SEVEN days. Good luck!

*See our other props coming soon including an original costume from "Dungeons and Dragons", Red Dwarf props used by Lister and Kryten and other items from U.K. television.*

**This page is available on eBay for a limited time only. Please print a copy for your own records.**

**If you're the seller or the high bidder - now what?**

1. Contact each other. The seller ([tardis55](#)) and the high bidder ([actionfigureman](#)) should contact each other within three business days to discuss payment and shipping details.
2. Leave feedback for the other party once the the seller has received the payment and the winning bidder has received the item.  
[Leave feedback to seller](#) - [Leave feedback to bidder](#).

Details for the seller and high bidder(s):

The seller should contact the winning bidder(s) with information on the total cost, including shipping, and where to send payment. The winning bidder(s) must pay the seller directly for the item(s), and it is the seller's responsibility to fulfill the order when payment terms are met. The binding contract of the auction is between the winning bidder and the seller.

If the seller is unable to establish contact with the high bidder within 3 business days of the end of the auction, he/she may lose the place as winning bidder, and be at risk for receiving negative feedback and/or a [Non-Paying Bidder](#) warning, both of which can ultimately lead to suspension from eBay.
